STRENGTHS OF NIT HAMIRPUR

National Institute of Technology, Hamirpur conducts various programs including Bachelor's Degree in Technology, the Dual Degree i.e. Bachelor-cum-Master of Technology program, Masters of Technology Programs and PhD programs. The admission criteria for all these programs is very competitive and depends on the particular program.

The academic year is organised around the semester. There are two semesters in a year. NIT Hamirpur follows a 10-point CGPA scale, with a rigorous examination procedure consisting of one mid-semester exam and an end-semester examination. Apart from that, the courses may involve short projects, term-papers, self-study assignments, and regular surprise quizzes along with class tests help to keep students on their toes.

NIT Hamirpur continues to produce world-class graduates and post graduates year after year. Particularly noteworthy is the increase in the number of post-graduates, both at the Masters' and Doctoral levels who continue to be immediately absorbed by industry and academia all over the world.

Our graduates are an integral part of India's growth story. The nation's best education system, along with the finest facilities has ensured that our students achieve excellence in their chosen fields.

I am certain that our students, with the help of the Placement Office, will find their dream jobs. Equally, I am sure the organizations will appreciate the association of our students.

I appreciate the Placement Office for their untiring efforts and wish the students all the best in Placement 2015-16

Best Regards,
Prof. Ajay Kumar Sharma

Director's Message

VISION

To build a vibrant multicultural learning environment founded on value based academic principles, wherein all involved shall contribute effectively, efficiently and responsibly to the nation and global community.

MISSION

To meet the demand of quality technical human resource at national and international level and achieving objectives which are :

- To develop technical and managerial skills by providing regressive and application oriented education.
- To achieve excellence in technical and management education and research with innovative and skillful conviction.
- To nurture inquisitive mindset.

I take immense pleasure in welcoming you to the picturesque campus of NIT Hamirpur. Being a premier technical institute of the country, NIT Hamirpur has maintained a rich tradition of pursuing excellence.

The achievements of our alumni, some of whom have been distinguished names in their respective fields, speak volumes to our commitment towards meticulous academic and non-academic atmosphere.

I would take this opportunity to invite you for the recruitment of the batch of 2016. NIT Hamirpur offers a large talent pool to recruit from, with a wide range of specialization at different levels.

I sincerely look forward to a warm and endearing relation between your reputed organization and NIT Hamirpur in the near future.

Best Regards,
Dr. Somesh Kumar Sharma

TPO's Message

National Institute of Technology Hamirpur is one of the thirty NITs of the country. It was established in 1986 as Regional Engineering College, a joint and cooperative enterprise of the Govt. of India and Govt. of Himachal Pradesh. Presently, the institute enjoys an autonomous status and became NIT in 2002.

It provides Undergraduate, Postgraduate and Doctorate education in Engineering, Architecture, Sciences and Humanities. It helps in fostering the spirit of national integration among the students, a close interaction with industry and a strong emphasis on basic and applied research. The institute has been declared as the Institute of National Importance under the Act of Parliament, 2007.

The institute is located on the footsteps of Shivalik Range and provides a panoramic beauty of snow-covered Dhauladhar Ranges. Over a period of time, the institute has made its place amongst the leading technical institutions of the country. Institute offers Ph.D., M.Tech, B.Arch and accredited B.Tech. Programs in Civil, Mechanical, Electronics, Electrical, and Computer Science that justify our reputation as a centre of higher learning. Excellent infrastructure, congenial teaching learning ambience, committed faculty, significant contribution to research work and commitment to the community are our hallmark.

About the Institute

Leveraging our academic depth, a diverse and cooperative culture, NIT Hamirpur aims to deliver a distinctive leadership and technical educational experience. Graduates and post graduates of our standard-setting programs will provide an effective man force to the industry. Our programs combine knowledge with action to gain skills that produce results and technical efficiency. We offer an array of opportunities for education, personal and career development, community involvement, and social interaction. In the classroom, students get the latest in both theory and practical applications from teachers and scholars. In our program, traditional technical education is complemented with high-impact, hands-on professional development. Our Engineers work within esteemed organisations and develop valuable skills in areas like field knowledge, entrepreneurship, leadership, teamwork, and decision-making. We produce skilled work force who set a high standard for effectiveness and leadership.

Our Philosophy

ACADEMIC PROGRAMMES

All undergraduate programmes and post graduate programmes are accredited by National Board of Accreditation.

Bachelor's Degree Programmes

S.No.	Programmes	Students
1.	Mechanical Engineering	87
2.	Electrical Engineering	88
3.	Computer Science & Engineering	87
4.	Electronics & Communication Engineering	84
5.	Civil Engineering	84
6.	Chemical Engineering	56
7.	Architecture	60

Master's Degree Programmes

S.No.	Programmes	Department	Students
1.	Environmental Engineering	Civil	13
2.	Geotechnical Engineering	Civil	13
3.	Structure Engineering	Civil	15
4.	Transportation System Engineering	Civil	15
5.	Water Resource Engineering	Civil	06
6.	CAD/CAM	ME	14
7.	Thermal Engineering	ME	16
8.	Material Science & Engineering	MSE	06
9.	Energy & Environment	Energy	09
10.	Architecture	Architecture	04
11.	Condition Monitoring Control & Protection	EEE	12
12.	Power Systems	EEE	15
13.	Signal Processing & Networks	EEE	14
14.	Communication Systems & Networks	ECE	15
15.	VLSI	ECE	17
16.	Computer Science & Engineering	CSE	17
17.	Mobile Computing	CSE	06
18.	Master of Business Administration	DOMS	09

Departments at a Glance

DEPARTMENT OF CIVIL ENGINEERING

ABOUT THE DEPARTMENT

National Institute of Technology, Hamirpur was established in the year 1986 and the Civil Engineering Department is part of the institute since its inception. Civil Engineering is considered to be the most versatile branch among all the engineering branches.

It is the branch with lot of diversity with topics like structural to transportation engineering, environmental to hydrology to hydraulics engineering, geology to geo-technology to earthquake engineering; Civil Engineering can be considered as a single largest branch among all the engineering branches. Being one of the primary Engineering Departments of the Institute, the Department of Civil Engineering offers B.Tech, M.Tech and Ph.D. degree programmes.

RESEARCH AREAS

- Environmental Engineering
- Hydrology and Water Resources
- Soil Dynamics and Earthquake Engineering
- Transportation Engineering
- Geotechnical Engineering
- Structural Engineering
- Irrigation & Hydraulics

DEPARTMENT OF ELECTRICAL ENGINEERING

ABOUT THE DEPARTMENT

Electrical Engineering Department, established in 1986, is one of the oldest departments of National Institute of Technology, Hamirpur. The department has been imparting quality education at undergraduate and post graduate level. The faculty members have been active in teaching and research activities.

The course curriculum is being revised from time to time so as to keep abreast with the latest developments and emerging technologies. Various departmental laboratories have been strengthened and modernized by procuring state of the art equipment's. The department is equipped with the latest experimental and computational facilities for taking up R&D and consultancy activities in different areas of electrical engineering.

RESEARCH AREAS

- Transformer Diagnostics
- DSP
- Deregulated Power Sector
- Congestion Management
- AI Applications in Power System Analysis
- Power Generation Operation & Control
- ANNA
- Evolutionary Algorithms
- Fuzzy Systems
- Electric Power Quality
- Power System Engineering
- Statistical And Adaptive Signal Processing
- Instrumentation and Control
- Power Electronics And Drives
- High Voltage Engineering

DEPARTMENT OF MECHANICAL ENGINEERING

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering came into its existence right from the inception of the then Regional Engineering College Hamirpur (now National Institute of Technology Hamirpur) in the year 1986 and served as catering department to other disciplines.

The department has a separate building housing the various laboratories viz : Strength of Materials, Theory of Machines, Dynamics of Machinery, Mechanical Measurements and Control, Heat Transfer, Refrigeration & Air Conditioning, Turbo Machines, Production, CAD/CAM, Metrology & Heat Engines, lecture rooms, seminar room, faculty chambers and office.

Our graduates are well placed through on-campus and off-campus placement and are holding responsible positions in Industries and Research organizations Viz. Hero Honda, Maruti Udyog, NTPC, L&T, ABB, Wipro, Satyam DRDO etc. The campus placement has been nearly 100% for pre final and final years with reputed industries.

RESEARCH AREAS

- Thermal Engineering
- Energy And Power
- Tribology
- Cad/Cam/Cim
- Manufacturing
- Tribology
- Industrial Engineering
- Solar Energy And Heat Transfer
- Cfd
- Production Engineering
- Design
- Parametric Modelling
- Optimization
- Defence And Aviation

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

ABOUT THE DEPARTMENT

Established in the year 1988, the Electronics & Communication Engineering (E&CE) Department NIT Hamirpur HP, has built an international reputation for excellence in teaching, research and service. Electronics engineers are changing the world to a comfortable global home.

E&CED is making exhilarating progress in areas ranging from microelectronics, mobile communications to VLSI Design Automation. In labs and classrooms, students draw on the expertise and knowledge of our able faculty, integrating practical, hands-on research experience with challenging and interesting course-work.

In an age when electronics play a major role in daily life and the promise of nanotechnology is coming to fruition, it truly is a great time to be a part of E&C engineering.

RESEARCH AREAS

- Low Power High Speed Interconnects
- Wireless Sensor Networks
- Nano Electronics and VLSI
- Control Systems
- Microelectronics
- Optical Fiber Communication
- Low Power VLSI & RF Design

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering established in 1989, has an outstanding record of contributions to the profession and community. The major aim of the department is to enable students to acquire specialized knowledge in various subjects of Computer Science & information technology, as well as to enrich the students personal, social and cognitive development to meet challenges of today.

The department has well equipped laboratories. The department is equipped with computers, softwares and latest IT infrastructure, and our students are exposed to up-to-date equipments, technology and techniques. Students graduated from this department are employed in different prestigious institutions and organization home and abroad. Department promotes philosophy of open source technology and extensively utilizes, promotes and participates in the development of various open source projects.

RESEARCH AREAS

- Computer Architecture
- Wireless Sensor Networks
- Parallel and Distributed Processing
- Data Mining
- Artificial Intelligence
- Reconfigurable Computing
- Mobile Computing
- MANETs

DEPARTMENT OF CHEMICAL ENGINEERING

ABOUT THE DEPARTMENT

Established in the year 2013 it is one of the most energetic branch of NIT-Hamirpur. The department consists of a capable and young faculty and hence is been imparting quality education to the pupils.

The Department is provided with a separate housing which include best laboratories facilities coupled with spacious classrooms. The students have been interning in various MNCs and research centers in and outside India, hence the capability of the students is unquestioned.

Various guest lectures and workshops on softwares like ASPEN PLUS, MATLAB and Simulation have been conducted which equips the students with the best skills.

RESEARCH AREAS

- Supercritical Fluids
- Solid Electrolytes
- Solar Thermal

DEPARTMENT OF ARCHITECTURE

ABOUT THE DEPARTMENT

The department of architecture was established in 2000. The department has been imparting quality education to B.Arch. & M.Arch. students by reviewing its curricula from time to time, modernizing its laboratories with state of the art equipments and latest software.

The classrooms are well equipped with all modern electronic audio-visual facilities. Presently, the department offers a five-year undergraduate course which includes semester training and two year M.Arch. as per the norms of the Council of Architecture. The department has a very cognitive work environment where innovation is encouraged. Students and teacher interaction levels are very high, to the extent that each teacher knows the strengths of each of his students. The Institute also offers MHRD scholarship to GATE qualified candidates

RESEARCH AREAS

- Landscape Architecture & Sustainable Dev.
- Architecture and Planning
- Urban and Regional Planning
- Architectural Design
- City Planning
- Climate Response Architecture
- Building Construction
- Sustainable/ Energy Efficient/ Green
- Building Design
- Building Services
- Intelligent Building

DEPARTMENT OF MANAGEMENT STUDIES

ABOUT THE DEPARTMENT

Established in the year 2015 , it is the youngest department of NIT-Hamirpur. The department consists of a capable and young faculty and hence is been imparting quality education to the pupils.

The Department offers a redefined industry oriented MBA Program in contrast to traditional business education.

NITH's approach to post graduate study reflects an emphasis on an individual student's ability to work independently, to take initiatives in exploring a line of research or acquiring new skill or identify and remedy a perceived area of weakness.

RESEARCH AREAS

- Technology Management
- Environment Management
- Operations Management
- International Business
- Human Resource Management

Facilities at NIT Hamirpur

GIRLS HOSTELS

Parvati Girls Hostel
Ambika Girls Hostel

BOYS HOSTELS

Kailash Boys Hostel
Manimahesh Boys Hostel
Dhauladhar Boys Hostel
Shivalik Boys Hostel
Vindhya Boys Hostel
Satpura Boys Hostel
Neelkanth Boys Hotel
Mega Boys Hostel

LIBRARY

Library building having the floor area of 1200 square meters. The library has got the seating capacity of 100 readers in reading halls and 50 readers in Audio-Visual Hall. Library follows the open access system, it facilitate the users to browse and pick up the documents of their choice without any hindrance.

HOSTELS

There are ten hostels in the institute, eight of these are for boys.

Two hostels are for the girls numbering nearly 300 at present.

The names of the hostels are based on the famous mountain ranges of Himachal Pradesh. The hostels are in perfect shape and provide all the modern facilities to the students.

Each hostel has got its own mess which is run by the students themselves, under the control of warden & under the administrative control of the Chief Warden (Hostels). The food served is nutritious and the menu is decided by the students themselves. Some of the hostels have solar heating system, recreation hall, badminton court and table tennis tables. There is a separate gymnasium for the boys and girls with the latest machines for their work out.

HEALTH CENTRE

The medical facilities are available free of cost to the students.

The OPD timings are 9 am to 5 pm.

The doctor on emergency duty is available 24 Hrs. Round the clock ambulance is available on a telephone call 110.

Facilities at NIT Hamirpur

CUISINE

A well furnished Indian Coffee House caters to the needs & tastes of the students from diverse backgrounds. It serves different cuisines and nutritious meals and has a capacity to host 150 students in a single sitting. Institute also has a Nescafe Booth, Verka Booth, HPMC Booth, 4H Canteen and Juice Bar on its premises to cater to the needs of the students, faculty and staff.

VIVEKANAND BLOCK

(Modern Lecture Hall Complex)

The complex comprises of 22 Lecture Halls, equipped with all modern audio video facilities.

AUDITORIUM

Fully air conditioned Auditorium with a capacity of 722, Students' Art Gallery, two seminar halls equipped with all modern facilities for holding Convocation.

OPEN AIR THEATRE

Open Air Theatre has a seating capacity for 600 persons. Conducting International, National Conferences and The annual cultural fest Hillffair is organized in OAT.

WOMEN CELL

NIT Hamirpur has a Women Cell. It helps the girl students and female staff of the Institute to address their grievances regarding violence & harassment cases, if any. It also makes them aware about their rights and women empowerment.

GUEST HOUSE

A furnished Guest House overlooking the dense pine trees is available for the parents and visiting experts.

TRANSPORTATION

The Institute has a fleet of buses to conduct the Educational Tours of students. The Institute provides free bus services for the benefit of students and staff to commute from various pick up points.

ALUMNI CELL

Institute has an Alumni cell. Students organize alumni meets regularly both at the institute and at different cities within & outside the country to keep in touch with the alumni.

Curriculum ++ (Beyond the Classroom)

SPORTS

NITH is one of the premier technical institutes in northern India.

The institute is not only well known for academic excellence but also offers excellent opportunities, converting very wide range of sports activities. The institute provides sports facilities for both indoor and outdoor games. At Institute level inter year and inter branch matches in variety of games form the regular sports event of the year.

Sports Deptt.

organizes inter branch tournament in the odd semester for both Boys and Girls. In the even semester there is inter year tournament for both boys and girls every year.

The Annual sports function "Lalkar" is held every year in the month of March. All students participate overwhelming in this grand event.

NIMBUS

Nimbus is the annual tech fest of

National Institute of Technology Hamirpur.

It witnesses an overwhelming participation of around 3000 students across the nation.

CULTURAL CLUBS

No plant can grow into a tree and no tree can live unless it has a strong bond with its roots. Roots provide the basic nourishment, sustain and develop the plants. Just like plants humans too have roots that sustain us, nourish us and help us develop our culture. We at NITH stay strongly connected to our roots. We believe in preserving our cultural heritage as well highlighting and showcasing it. To put this to effect, various cultural events are organized and provide a platform to our budding artists to explore and showcase their talents.

Independence Day, Republic Day, Hindi Diwas are celebrated with great patriotism; SPIC MACAY events are also organized by Cultural Clubs of NITH along with Hill'ffair.

HILL'FFAIR

Hill'ffair is a major cultural extravaganza that brings together all students of NITH & of other institutions.

Hill'ffair showcases the ever high spirit of NITH. Hill'ffair-2014 with the theme Halloween:Horror of the hills was inaugurated by Prof. Rajnish Shrivastava, Director NIT Hamirpur and celebrated from 11-13 Nov 2013.

Main Focus

Pacement Opportunities at NIT Hamirpur

NIT Hamirpur's curriculum is defined in such a way that students, on its successful completion become both competent and confident enough to tackle any real life problem. Whether it's development of pragmatism on foundations of strong Engineering Science and theory to apply the acquired knowledge into various inter disciplinarily scientific zones or to accept the challenges of solving social problems or seeking out the other way around or simply the amateur aspect of fulfilling one's own desires.

The strong reason of flourishing industries is its skilled workforce who poses adequate mixture of contemporary qualities ranging from analytical skills, managerial skills, and necessary software skills to decision making and effective leadership which are like attribute in our multi-talented students.

All this is possible because of willingness of our students to avail all the opportunities to train themselves by showing up voluntarily into their field of interest in both technical and co-scholastic zones by signing up with year around active clubs like Innovation club which works to come with solutions to basic problems of general public, departmental clubs that are perfect for seniors and juniors to work on their projects or to seek guidance and get technical exposure. Also cultural and tech fest clubs help students to utilize their time productively in art, music, dance and drama that give them the social exposure and the interactivity with collaborated ones. Time to time remarkable workshops are organized who help students in growing professional skills as well as updating them regarding modern developments and trends in technology.

Esteemed and renowned faculty impart quality subjective knowledge as well help students in their term projects. Versatile curriculum helps the students to get knowledge deeply with adequate exposure through well maintained state of the art labs as well as provide them with enough freedom to pursue into their interests through electives.

GLIMPSE INTO PLACEMENT CELL

- The Placement Office at NITH or the Placement cell sends invitation to companies/organizations along with the relevant information.
- Interested students who show their willingness to appear for the recruitment process of a company forward their names to the Training and Placement Officer through the Training and Placement Representatives.
- Placement Office allots dates in consultation with the companies for campus interview as per mutual convenience.
- Companies can view resumes of interested students and shortlist students as per their norms.
- Companies visit the campus on the allotted dates and conducts tests and/or interviews according to their recruitment process.
- The company/organization is required to furnish the list of the students on the date of interview.
- The placement office records jobs corresponding to the students selected. Students once placed may not be allowed to appear for their interview for other interviews as per the institute placement policy.

GLIMPSE INTO PLACEMENT CELL

The Training and Placement office will provide the recruiters following facilities:

- Company is provided with all the students information necessary including profiles, resume, contact information, academic profile.
- The Company recruitment team stay is provided at the guest house located at the center of the institute.
- Student volunteers and Training and Placement representatives for arrangements during the day of visit.
- Auditorium of capacity of 500 students for pre – placement talks, presentations and conduction tests.
- Video conferencing and online test conducting facilities.
- Group Discussion and Personal Interview Rooms.

OUR ENGINEERS > READY TO ADDRESS TALENT HUNT

Student's achievements have already made it renowned in various fields whether it's through internships in leading research institutes like IIT's or IISc and coming up with published results or working abroad in collaborating institutes or working with top firms.

Our students of the batch 2015-2016 ready to meet industry's demands and their academic performance at the end of 3rd Year in a bird's eye view:

HOW TO REACH NIT HAMIRPUR

Road Link:

The campus is situated at Una in Hamirpur district of Himachal Pradesh and is 2 Kms from main bus stand of Hamirpur on Hamirpur – Toni Devi road. The city of Hamirpur is well connected with the rest of the country by road. Hamirpur is at a distance of about 480 Kms from Delhi and 200 KM from Chandigarh. Himachal Roadways and Himachal Tourism buses are available on these routes. The bookings for buses can be done on the HRTC & HPTDC websites i.e.,

<http://hrtc.gov.in/hrtctickets/Availability.aspx>

Rail Link:

Nearest broad gauge train head is at Una (Himachal Pradesh), at a distance of 72 Kms from Hamirpur. Una is well linked to all parts of India and journey is of about 10 hours from Delhi. Two trains (Himachal Express & Jan shadabdi) between UNA HIMACHAL (UHL) and DELHI ply throughout the week. Taxi/Bus services are available from Hamirpur to Una (& back). To find details about train service from different cities towards Una, visit

<http://www.indianrail.gov.in/>

Air Link:

The nearest airport is at Dharamshala (Gaggal, district Kangra) which is about 75 Kms from Hamirpur. Currently, two flights (Air India & Spicejet) are operation between Delhi and Gaggal on daily basis. Regular flights are also available up to Chandigarh, which is at about 200 KM from Hamirpur. For more details please visit the websites of corresponding airlines.
